2023 Grassroots “New” Referee Course Instructions

New Grassroots Referee courses are being offered by the Wisconsin Soccer Referee Development Program (WisRef) for 2023 registration; for a 2023 USSF Grassroots Referee license expiring 12/31/2023. The successful Referee candidate will have the opportunity to officiate games for the fall of 2022 and the spring, summer and fall 2023 soccer seasons.

This course is for new, first time Referees that have not been previously registered as a Referee **OR** a previously registered Referee who has had a lapse in registration (2020 or prior lapse). Minimum age per US Soccer policy is 13 years old at the time of registering for the course.

WisRef & the WYSA have partnered in order to encourage players, parents and others to become a New Referee. WYSA is providing reimbursement of registration & course fees and background check fees for New or Lapsed Registration Referees who successfully complete the requirements to become a US Soccer Referee for 2023. In addition, through 12/31/22, these Referees will receive a \$50 uniform kit allowance, redeemable at Stefan’s Soccer (the sooner you complete all the course requirements, the higher likelihood of receiving your kit timely).

What do these two organizations ask in return? We ask that you commit to refereeing all of 2023 and registering again for 2024 at a minimum. We would also hope that you continue in 2025 and beyond.

Many clubs and districts also provide additional referee incentives, for a minimum number of games worked in a season or other requirements. You will need to work with your local games Assignor for more information on those programs.

We hope to see you in a New Referee course and on the fields this fall!

This is a 12 Hour Course

8 hours online US Soccer Learning Center course work (on your own)

Creation of a WisRef GameOfficials account

4 hours WisRef In-Person session (either Virtual online Zoom session or Classroom/On-Field session) (with Instructors)

After successful completion of the above, you will be registered as a new 2023 Grassroots Referee.

Steps to Register as a 2023 USSF Grassroots Referee

WisRef utilizes 2 platforms. Registration and learning are within the US Soccer Learning Center. Game assignments, after completing all requirements, will be in the WisRef GameOfficials platform.

1. Create a Referee profile in the US Soccer Learning Center: <https://learning.ussoccer.com/>. This profile or account is for the Referee, not the parent. Full name & mailing address is required; the name, address & primary email should be the same as will be input into GameOfficials. Please note that school email addresses are sometimes problematic, so should be avoided.

Directions: <https://ussoccerfederation.force.com/lcsupport/s/article/Sign-Up-for-an-Account>

If you are 18 or older, you will be prompted to pay for and complete a 2-year background check and complete the SafeSport module. If you turn 18 during a registration period, you will be required to complete the background check and SafeSport in order to continue refereeing during the seasons.

<https://ussoccerfederation.force.com/lcsupport/s/article/How-to-find-and-sign-up-for-a-course-in-the-Learning-Center>

2. After you create your account, pay the \$70 US Soccer 2023 registration fee and WisRef course fee. Register in the following course: **2023 New Grassroots Referee - Assignment Course (August)**

3. Complete all US Soccer Learning Center required assignments in the following pathway: **Courses/My Courses/Go to Classroom/Assignments**. Remember to log out if you take a break from the training and **continually save your progress**. Chromebooks are not always compatible, may not load, save, or display properly, and may be incompatible with the Zoom program required later.

4. Set up a GameOfficials account for game assignments in the **WisRef** GameOfficials assigning platform: <https://wisref.gameofficials.net> (use this link). This account is for the Referee, not the parent. **Full name & mailing address** is required; the name, address & primary email should be the same as was input into the Learning Center. Please note that school email addresses are sometimes problematic, so should be avoided. There will not be any course work completed in GameOfficials (GO). GameOfficials is only for game assignments once you have been registered as a referee.

5. After completing steps 1 through 4, notify sue@wisref.org to choose a date/time to attend a WisRef Virtual online Zoom session (“Virtual”) or a Classroom/On-Field session (“Field”). You will be able to pick a session date and time from the list in her email reply. Session dates/times are listed in the course details when you register.

* The Virtual or Field session time of 4 hours is 100% accurate. Referee candidates are required to be present for the entire session. These sessions meet US Soccer requirements and failure to be present for the entire session will result in full attendance not being granted and your certification will not be processed.

*Signing up for the Virtual or Field session will be available **after** you complete the required Learning Center assignments and have created your WisRef Game Officials account - steps 1 through 4 above. **You cannot reserve a spot for the Virtual or Field session until you complete these steps.** *Requesting an In-Person date before all steps above are completed will not generate a response.* If a Virtual or Field session is near capacity, there are no guarantees that slots will be available by the time you finish steps 1 through 4. We strongly encourage Referee candidates to complete their assignments in the Learning Center and the WisRef course work well in advance of the Virtual or Field session they wish to attend. We reserve the right to cancel any scheduled Virtual or Field session for low attendance numbers. Referee Candidates will then be able to choose another date/time to attend.

* The deadline for choosing the Virtual or Field session is **48 hours** before the start of the session. WisRef requires course rosters to be set by this deadline. Please be diligent if you desire a session for a particular date and time.

6. Attend the selected Virtual or Field session. The Field session will start in the classroom and move outdoors for training so please dress accordingly. The Virtual session is interactive, and requires active participation from all candidates. Instructors must be able to see and hear you throughout the session. Video **MUST** be on at all times and you must have the ability to mute/unmute your microphone. There is a maximum of one referee per electronic device - no sharing, and attendance needs to be in a stationary, unobstructed, quiet environment and not in a vehicle of any kind, whether moving or stationary.

7. Once you pass all the requirements, you will be certified by the State Referee Administrator as a 2023 USSF Grassroots Referee. Your 2023 Referee badge will be mailed to you and you will be enabled in the WisRef GameOfficials for game assignments. Take this opportunity to make sure your mailing address is correct and consistent in both the US Soccer Learning Center and the WisRef GameOfficials. You will only receive one 2023 badge, so please be careful with it.

WISCONSIN YOUTH SOCCER ASSOCIATION

BECOME A REFEREE TODAY!

Candidates successfully completing the course:

- registration refund
- background check refund
- 10-piece starter kit

1. Independent learning in U.S. Soccer Learning Center & WisRef
2. Finish with group session (virtual or in-person)

Registration for new referees is now available! A new referee is someone who has not previously been registered as a referee *OR* is a previous referee whose registration has lapsed (2020 or prior). Candidates successfully completing the course will be eligible to referee games in fall 2022 through fall 2023 (license expiring 12/31/23).

Grassroots Referee courses for new referees require a combination of independent learning and in-person instruction. The independent learning starts in the U.S. Soccer Learning Center, is followed by a WisRef live session (either virtual or in-person). Total instruction time is estimated at 12 hours, with the final four hours being the live session. The independent learning content can be completed at your own pace. Dates and times** for the live portion of the course are:

August 6 | 8:00am - 12:00pm | Virtual
August 7 | 8:00am - 12:00pm | Virtual
August 13 | 8:00am - 12:00pm | Neenah High School
August 14 | 12:00pm - 4:00pm | Oregon High School
August 20 | 12:00pm - 4:00pm | Waukesha Citizen Bank
August 21 | 8:00am - 12:00pm | Virtual
August 27 | 12:00pm - 4:00pm | Virtual
August 28 | 8:00am - 12:00pm | Virtual

**please refer to the [Learning Center](#) for most up-to-date dates and times

The total cost of the course is \$70; a background check, if 18 or older is an additional \$30 (for a 2-yr period). New and lapsed referee candidates who successfully complete all the requirements will receive a full reimbursement of their registration fee and background check fee, plus a 10-piece referee uniform starter kit.

NOTE: U.S. Soccer Policy mandates a minimum age of 13 to start the certification – there are no exceptions or waivers to this U.S. Soccer Policy.

To register to become a 2023 USSF Referee please [follow these steps](#).

Recertification information will be available at a later date.

Many clubs and districts also provide additional referee incentives, for a minimum number of games worked in a season. Referees should contact their Assignor for more information on these programs.

Don't miss out on the opportunity to be a part of the game, while learning and earning! For registration and certification questions, please contact Tom Mesalk at tom@wisref.org.
